

GOES AROUND THE "HORN"

AB Wm. H. Denne, the son of Mr. and Mrs. Wm. Denne, Newmarket, is home on 14 days of leave after completing a 20,000-mile peacetime training cruise around the South American continent aboard the H.M.C.S. Uganda. The Uganda was the first Canadian naval vessel to sail around the "Horn". The cruise started from Esquimalt, B.C. last February, passing through the Panama Canal on the return voyage. It is believed that AB Denne is the first Newmarketer to make the trip around Cape Horn, at the southernmost tip of South America. Since the end of the war, AB Denne has joined the permanent Royal Canadian Navy.

Junior Sluggers Too Much, Hill Turned Back 14-8

By Geo. Haskett

The Newmarket junior ball club chalked up another victory in the North York hardball league on Tuesday evening at Richmond Hill. The locals won handily over the Hill squad, 14-8, in a free hitting game. The victory further strengthened the hold of the Newmarket boys on second place in the league. The Newmarket club is now trailing the league leading Milliken team by two points.

Tommy Dales was elected to take the mound for canaltown and went the full route. After a shaky first innings when the Hill pushed over three runs, Dales kept them well in check. Dales allowed ten hits, issued five walks and struck out seven of the opposing batsmen.

The Newmarket squad found the offerings of Stevenson, on the mound for the Hill, much to their liking and pounded out 15 hits and collected eight free passes to first. Grant Blight and Tommy Dales each recorded three runs to lead the scoring parade. Jim Rutledge, Red Palmer and Bill Johnson each came over the plate with two. "Mac" Clement, Don Little and Heide Rose showed best for the Hill.

Newmarket line-up: Stan Winger, Tim Dales, Grant Blight, Red Palmer, Jim Rutledge, John McTavish, Don Brown, Fred Palmer, Ken Thoms, Bill Johnson.

Red Cross Seeks Donations To Aid Cyclone Victims

The Newmarket branch of the Red Cross, in response to an appeal from the Ontario Division of the Canadian Red Cross, is seeking contribution of aid for the cyclone-stricken Windsor area.

The Windsor Citizens Committee has asked for \$350,000 to aid in the rehabilitation of the stricken families in the Windsor area.

SPECIAL SHOW AIDS CAMPAIGN FOR CLOTHING

Ann Ewing was the first prize winner for girls for the largest bundle of clothes taken to the special theatre performance at the Strand theatre Saturday morning in aid of the clothing drive, and Donald Jackson was the top boy. Each child was awarded a prize of \$2.

Sally Hill, Dave Lyons, Howard Peterman, Beth McPhee and Glen Koffer each won prizes of \$1 for their contribution of clothing for Europe.

Mrs. M. B. Seldon, Mrs. E. H. Adams, Miss Evelyn Denne and Mrs. T. L. Ewing were the judges with Mrs. Adams presenting the prizes. The prize money was donated by Mrs. Seldon, A. D. Evans, Howard Brice, Frank Bowser, R. C. Morrison and H. J. Luck, chairman of the Newmarket campaign.

The special show brought out a large crowd of children who lined the sidewalk along Main St. and Water St. as far as the bridge, with their bundles of clothing and bedding. The town truck had to make two trips in order to take away the contributions and it was evident that the children had worked hard to collect clothing to aid their needy brothers and sisters overseas.

The Newmarket Boy Scouts acted as ushers and policemen along the street and in the theatre. During the judging, Mr. Luck thanked Morley McPhee, manager of the Strand theatre, for the use of the theatre which made possible the collection of additional clothes.

VETS TAKE LEAGUE OPENER BY 6-1 SCORE

Playing a snappy brand of ball, Newmarket Veterans defeated Langstaff 6-1 in the league opener at the Stuart Scott school grounds on Tuesday evening.

"VanZant on the mound for MacDonald's 'pets' was never in trouble. Stepak, in left field, played brilliant ball, hauling down a couple that at least should have been good for three-baggers.

Bowen, on the mound for Langstaff, deserved better fate, as he pitched steady ball, but his battery mate seemed unable to hold him, allowing several Newmarket runners to make first base.

Newmarket line-up: May c, VanZant p, Smith 1b, F. Evans 2b, Mair 3b, S. Evans ss, Stepak lf, Gibney cf, Legge rf.

CLAIMS LARGE SPUDS

George Smith, North Main St., has had new potatoes from his garden which he says are as large as eggs.

Lions Officers Installed At Annual Ladies Night

The Newmarket Lions club held its annual ladies night at Pickering College Friday when Ems Crawford, past district governor, acting for Charles Carter, district governor, both of Bowmanville, installed the newly-elected club officers.

Present for the occasion were Mayor Dr. L. W. Dales and president and officers of neighboring clubs. Forty-six Newmarket Lions received buttons for 100 percent attendance through the year and Wm. Geer, past president, received his past president's button.

The new officers of the club are: pres., R. C. Morrison; vice presidents, R. L. Pritchard, Chester Best and Thomas B. Scott; sec., T. F. Doyle; treas., Frank Courtney; tail twister, J. B. Walker; Lion tamer, A. D. Evans; directors for two years, George Byers, Stan Smith, Don Cameron; bulletin editor, Mr. Doyle; assist., Delbert Gibney.

Members of the Newmarket club and their wives who attended the district convention at Niagara Falls, Ont., were T. F. Doyle, secretary; Chester Best, H. J. Luck, Ang C. West, Mr. and Mrs. M. A. Patterson, Mr. and Mrs. Frank Courtney, Mr. and Mrs. B. A. Budd and Deputy District Governor Fred S. Thompson and Mrs. Thompson.

While there, some of the party visited F. H. Hewson, former resident here.

CYCLING CLUB PLANS PROGRAM OF RACES

The Newmarket Cycling club is making plans for bicycle races during the second week of July. The races will be held along Davis Dr. and Prospect St. The races will be short and will be run in classes according to the age and the number of contestants. A girls' race will be held if the entries warrant it.

The boys will race in four groups, A, 17-18 years; B, 15-16 years; C, 13-14 years; D, 11-12 years. Robert Benville, president of the club, urges that entries be sent in as early as possible to Newmarket post office box 244 or E. R. Mather, recreation co-ordinator, or Orin Larsen, secretary-treasurer of the club. Starting times and dates will be posted soon.

Camp Ahshunyoong Opens Season With Jrs. Tonight

Camp Ahshunyoong, Duclos Pt., the North York boys' and girls' camp, opens tonight with the first contingent of boys from Newmarket and York county. The junior boys' camp will operate from this evening to July 3. The senior boys' camp is from July 3-11. The junior girls' camp, age 10-11, is July 12-20.

NEED SUGAR COUPON

All boys who are leaving for Camp Ahshunyoong tonight (junior boys), and the senior boys leaving on Wednesday are asked to bring one preserve coupon.

Intermediate girls, age 12-14, July 20-30; and senior girls, age 15 and up; August 20-30.

Two other girls' organizations have rented the camp from July 31 to August 20 and there will be a young people's camp from August 30 to September 2.

Rev. Henry Cotton, chairman of the finance committee of the camp, reports that 50 to 60 boys and girls from Newmarket will be attending the camp. Indications are that the camp facilities will be taxed to capacity by the campers. A large building for staff girls is being built now and with this addition, the camp has 16 buildings which, it is expected, will provide ample accommodation without the use of tents.

The junior boys will meet at the Scout Hall, Newmarket, to-night at 7 o'clock for transportation to camp.

York County Doctors Have Annual Outing

Among those present at the annual meeting of the York County Medical Association at the Briars golf club last week from Newmarket were Dr. and Mrs. L. W. Dales, Dr. and Mrs. J. Gordon Cook, Dr. and Mrs. G. Mervyn Peever and Dr. and Mrs. J. C. R. Edwards. Dr. Edwards is president of the association.

Also present were the superintendent of York County hospital, Miss V. Pearson, and nurses Edna Shepherd and Audrey MacIntosh, with Dr. Wm. Watson, Bradford, and Mrs. Dillaine, Schomberg, Dr. and Mrs. Freck, Stouffville, Dr. James Langstaff, who is secretary, and Dr. Lillian Langstaff, Richmond Hill, and Dr. and Mrs. Michael Tuchtie, Sutton.

Dr. Dales responded to the toast to the ladies in a manner which was heartily applauded.

ANNUAL PEONY SHOW WILL BE HELD SATURDAY

The annual peony show will be held on Saturday afternoon in Trinity United church. Exhibits must be placed by 2 p.m. The show is under the auspices of the Newmarket Horticultural society.

TAKES SERVICES

Miss Zilpah Lavender took the services at the Salvation Army at Aurora on Sunday.

EXAM RESULTS

This year, as in the past, The Newmarket Era and Express will be printing examination results from district schools. Teachers and correspondents can help prevent errors by having names and results typewritten where possible and by using only one side of the paper and leaving lots of space between lines. If the copy is in long hand, care should be taken to see that every name is legible.

R.S.M. DAVID WALKER HOME FROM GERMANY

Regimental Sergeant Major David Walker, R.C.A.F., son of Mr. and Mrs. J. B. Walker, Park Ave., returned on the Ile de France from a total of four years' service in Belgium, Holland and Germany and arrived in Newmarket Sunday morning.

Greeting R.S.M. Walker were his father and his sister, Mrs. Donald Younger, and Mr. Younger. A member of the permanent army, R.S.M. Walker was in service nine years on June 25.

He is in the occupational forces and is home on a leave of six weeks.

AIRMAN HOME

LAC H. M. Reaman, son of Mrs. W. F. Hoover, Newmarket, arrived home from overseas Sunday after an absence of 27 months. LAC Reaman has been two years, nine months with the R.C.A.F. He trained at Brandon, Man., and Vulcan, Alta., before going overseas.

SERVED IN OCCUPATION

He referred to those who had helped prepare new members for the church, to the workers of the various church societies, the teachers at the school, to the sisters at the convent and the children's choir, the priests of St. Michael's College who had helped on Sundays and to all of them he expressed his heart-felt thanks. "You have instilled in me a greater eagerness and zeal to continue with increasing vigor to gather souls to God in the new harvest field that lies ahead," he said.

Pte. W. W. Fines, son of Mr. and Mrs. Maxwell Fines, Newmarket, arrived home from overseas early Monday morning. He enlisted in the Cameron Highlanders of Ottawa in September, 1943, and went overseas in June, 1944, seeing action in France, Holland, Belgium and Germany. He joined the occupational forces last year and has since been stationed in Germany. He trained at Brantford, Aldershot and Camp Borden.

Wilcox Lake Scene Of Police Vs. Mob, As Arrests Made

At least a dozen young men will face charges involving obstructing the police, vagrancy, assault, causing malicious damage and drunkenness, police said, following a battle at Wilcox Lake on Saturday night when a large crowd battled with York county and Whitchurch police as the latter attempted to perform their duty. It was the largest mass demonstration staged in the county in many years.

Ring leaders in the battle and immediate cause of the incident are said by police to be Robert and Harold Arsenault, Gormley.

Earlier in the evening, police had seized several bottles of liquor from parked cars and this is said to have been one of the reasons for the trouble. The

Arsenault brothers, it is said, struck the driver of an automobile outside Willow Beach dance pavilion. The driver is reported to have been a returned veteran.

The girl accompanying the driver was said to have been also hit. Leaving the car, the girl pointed out the Arsenault brothers to County Constables Aubrey Fleury and Edgar Kidd who started to question them. At this point Constable Heath Hamilton of Whitchurch joined the others and with the crowd closing in on them, managed to get the two into Constable Fleury's car.

The story as the police tell it is: Bystanders, some under the influence of liquor, surrounded the car and refused to let Constable Fleury out. Wires were pulled from his car and sand and stones jammed into his gas tank.

During their trip to the car, the officers were punched and struck as one of the youths who had attempted to escape yelled for help. One prisoner was taken from the car by the mob which tried to upset the vehicle. He later attempted to escape in another car but was hit by the owner and knocked out. The other remained in the car.

Constable Hamilton, who had the seized liquor in his car, managed to get a friend to drive to Aurora and summon aid. Meanwhile a call had been put in for police aid by cooler heads. Chief Constable Fisher Dunham and Constable William Langman of Aurora made the trip to the lake in fast time and had to fight their way to the aid of the other officers. The five officers now took the prisoner through the crowd to Chief Dunham's car, receiving pummeling as they made their way. Chief Dunham was forced to use his billy to keep off assailants. A crowd surrounded his car but threat of driving into the crowd cleared a path.

Meanwhile the other prisoner was taken into custody and the North York township police detachment had arrived as well as provincial officers, followed by Chief Constable James Leeder and Constable Stewart Martin of Newmarket. The prisoner was removed to Newmarket where both youths spent the night. They were in custody as late as this morning.

During the melee, Constable Fleury received an injured jaw. Constable Hamilton and Chief Dunham received face cuts. The affair started around 10 p.m. and lasted until close to midnight. Once the Arsenault brothers were removed and police reinforcements arrived, the crowd dispersed quickly and there was no further trouble.

Constable Fleury had his car towed to Oak Ridges and it was in working order on Sunday. County Constables Fleury, Kidd and Byron Burbridge have spent the week questioning witnesses.

Constable Hamilton, who served in the R.C.A.F. police and was on duty in Montreal during the "zoot suit" riots, described conditions "as almost as bad except that no weapons were used." Constable Fleury calls the event "the worst in his experience as a police officer."

RECEIVES DONATION

An anonymous donation of \$5 has been received for the Salvation Army work by Capt. Arthur Robinson.

PLAY TENNIS

Exhibition tennis matches will be played at the Newmarket tennis club tonight at 8 p.m. Four outstanding players from Toronto will perform for the benefit of tennis enthusiasts in the district whether members of the local club or not.

York County Receives Aid From Western Farmers

The agricultural representative's office in Newmarket reported Monday morning that 12 men had arrived from western Canada to help out in the haying and harvesting on York county farms. Two of the men are from Winnipeg and the others from Alberta and Saskatchewan.

While working in York county, the men will be paid \$70 a month and board. They must stay at least six weeks as a condition of their employment. Approximately 100 farm helpers have been asked for York county in the west.

As they arrive in Newmarket, they will be sent to farms on a basis of the greatest need. Farmers are reminded that if they want extra farm help, they must get in touch with W. M. Cockburn, Newmarket, agricultural representative, outlining their needs and the kind of help they will need.

CLOSED SHOP HARMFUL TO LABOR

No one will deny the right of employees to organize into unions and through them, negotiate for improved working conditions, wage increases, or shorter working hours. When the unions insist on closed shop contracts, however, the validity of their actions is open to question.

The closed shop contract is undemocratic. Whether or not a new employee is in sympathy with the union, supports its leaders, or approves its policies, the closed shop contract makes membership in the union a condition of employment. He has no choice. He must join the union or else his life is made miserable by his fellow workers.

The closed shop contract is organized labor's strongest weapon. It provides a unity of union locals so that a strike in one industry can develop into a national walk-out through the action of sympathy strikers. Pressure is then exerted upon the management of the original plant not only by its striking workmen but from other managements whose plants are tied up by the sympathy strikers.

The advantages of the closed shop to organized labor are more than offset by its disadvantages. The closed shop enables the indefinite perpetuation of one union as the bargaining agency, no matter how disreputable that union may have become. The closed shop enables the increase in initiation fees, beyond reasonable levels. By raising initiation fees, it becomes possible for a union to restrict employment in particular industries or trades. These very real conditions are harmful to organized labor.

The closed shop has enabled the rise of labor leaders to the status of virtual dictators. It has caused internecine warfare which has cost organized labor much in public sympathy as well as provoking feuds within the ranks of labor which weaken the movement more than any action of employers.

Organized labor is passing from its rough and tumble youth into maturity. It is time it assumed some of the responsibilities of maturity, both to the working men who form its ranks and to the public at large. The closed shop principle is too undemocratic to last in Canada. By its continuing adherence to such a policy, labor is risking all that it has so far gained.

EDITOR TAKES A WALK

Saturday was one of those days that the poet spoke of "when heaven tries earth if it be in tune, and over it softly her warm ear lays". We found heaven's ear more than warm. By the time we had tramped out to Glenville and back, it had blistered all exposed flesh.

Despite the after affects, a pair of joints that creaked like rusty hinges, the walk was most enjoyable. It was good to feel the fresh west wind on the crest of the hills and see the rolling fields stretching towards the Caledon hills.

Was it luck that brought the early settlers into this district, the most pleasant farm land in Ontario? Could the Keffers, the Playfers, the Robinsons, the Millards and all the other old families visualize the broad meadows, the rolling hills and the fertile valleys as they came up the muddy trail from York? What would they say if they could see their land now?

We're sure of this much. If they walked along the Glenville road in the same sort of shoes we did, they'd join us in a petition we are preparing: "that no stones larger than three-eighths of an inch be spread on gravelled roads so that foot travellers and editors need not sit up half the night salving stone bruises".

In Passing

Saturday morning, the county men finally treated Davis Dr. to lay the dust on it. This nuisance had continued unabated since the first hot weather but it has only been after repeated complaints from Frank Bowser, chairman of the roads and bridges committee of the Newmarket town council, Mayor Dr. L. W. Dales, and the ratepayers themselves that any action was taken.

The dust on Davis Dr. is an annual complaint, yet on the evidence of the residents, the condition is allowed to continue well towards the end of June before work is done on the road. There is no justification whatsoever for such slack service to the ratepayers by the county engineer's department. Davis Dr. should be given prompt attention each year, not put off indefinitely as has been the practice in the past.

Every weekend, the residents of Newmarket and other communities on the main highways are treated to the spectacle of carload after carload of lumber on its way to the lake for building and repairing summer cottages. It is strange, indeed, that there should be so much lumber for summer cottages while the war veteran needing lumber for a permanent house is unable to get any. The resolution recently passed by the township council of East Gwillimbury urging the government to restrict building materials to permanent buildings only deserves the widest publicity.

Another increase in the price of milk to the householder is foreseen in the fall when the federal government removes the subsidies to the milk producer, according to news stories from Queen's Park. So far, there has been no evidence of provincial government action to meet the price requirements of the producers and at the same time hold down the cost to the householder. There still remains for the record the remark of the provincial minister of agriculture, Hon. T. L. Kennedy, that the province wasn't going to pick up the "hot potato" the federal government was dropping.

What Others Think

DAIRY FARMERS HET UP

(Midland Free Press Herald)

The dairy industry of Ontario is up in arms over a suggested regulation under the new Ontario Liquor License Act providing for the sale of beer and wine with meals in restaurants.

The attorney-general has made it clear that the government proposes to enact regulations which will not permit ice cream soda fountains in any restaurant in which intoxicating drinks are served with meals. In other words, the province is saying to restaurant proprietors, "If you wish to qualify for a beer and wine license, all well and good, but to do so you must quit selling ice cream sodas, ice cream, and soft drinks of all kinds."

It may be argued that this is to prevent juveniles from frequenting restaurants where beer and wine are sold. That sounds splendid. But as the Canadian Dairy and Cream Journal points out, the regulation might also encourage the consumption of beer and wine because soft drinks would not be so readily available, and consequently cut down on the consumption of dairy products. That is why the dairy farmers are fighting mad.

The general public also has an interest in this question. Why should it be forbidden the right to buy ice cream sodas and soft drinks in any restaurant? Why should it be compelled to assuage its thirst with beer and wine? A regulation apparently designed to safeguard youth may work out to the advantage of the brewers.

Granting that it is desirable to protect youth from beer and wine—even if all protection is withdrawn from adults—then is it not possible for a restaurant to be divided by partitions in such a way that those who wish to consume dairy products may be able to do so without coming in contact with beer and wine? Think again Mr. Blackwell.

But why do we have beer and wine in restaurants at all? Were there not enough sale outlets before?

Every previous extension of outlets has been followed by big increases in Ontario's drink bill. That can only be the effect of putting beer and wine into the restaurants. We suggest to Premier Drew that it is not too late yet to call it off.

Mr. Hepburn got the unsavory credit for introducing beverage rooms into the province. Why should Col. Drew's name be associated with putting intoxicating liquor into our eating places?

GOSPEL ECHOES

By Rev. G. H. Bache, Pastor, Free Methodist Church, Newmarket.

Recovering Our Moral Conscience

One of the lamentable consequences of intimate contacts with the "corrupting moral environment" of our day is its deadening influence upon man's moral conscience. Lecky has been called "the historian of morals" and it was his observation that "as moral corruption became more deep seated conscience dried up and disappeared, ceasing to have any hold in later life on those who had failed to heed it when young."

We need a correcting of our thinking today that piety is a sign of weakness. The really worthwhile man, however, is the godly citizen whose entire personality is so developed that he can march majestically forward contending for the right. The word freedom is on everyone's lips today. The desire for it is commendable—where it is "for true" freedom, but when it is a quest for license to do as one pleases and dare anyone to object, it is not laudable.

The false philosophy which governs so much of the day's reasoning has sought to erase God and moral law from man's thinking. The result has been the breaking down of wholesome conventions and practices, the abandonment of parental control and filial obedience, and the disregard of those things that contribute to integrity in commercial and social relations. Unless these conditions can be corrected they will produce the dissolution of our moral foundations.

The situation is serious. Some are rich in material things while millions of others perish in poverty. There is the skill of genius all about us but it has been more for destruction than for construction. We are trying to build a society without a proper ethical constituency. God has been cast out of the soul. Dr. Merton S. Rice once wrote, "There is a very grave danger that this day of ours may become drunk with sheer knowledge, dangerous for its lack of character." We know that knowledge is power, but despite our accumulation of vast knowledge, spiritually we seem to be in a quandary as to derivatives and destinies. Knowledge without character is dangerous. As Christians we are to emphasize character. Unless we recover our moral conscience, we may find ourselves buried in "the despair of immoral failure."

The church today must help man recover his moral conscience. Man must discover that God's moral demands are of far greater importance than the form of ceremony he uses in worship. We need a revival of conscience preaching. Our need is to apply the principles of Jesus to our conduct in this day. We must have His principles translated into daily practice. Let us as Christians stand to the task of helping men and women recover their moral conscience.

COMFORTS OF LIFE

By J. Jay Watson

Our gardens have a story or stories for a church service. I have been looking at a garden. It seems only two or three weeks or so ago it was plain brown earth, as it was left by the spading or cultivating. But now I see long, straight rows of green plants.

The first step in this development was to prepare the soil, then sow the seed. Following this the chemistry of the soil combines with the sun's rays, the air and the rain to give us sustenance.

There are many factors that enter into having a good garden—the utilization of them through cultivation is essential. We recognize the essential quality of constancy to sustain the material side of life; the quality of constancy to maintain the spiritual is no less essential.

Just as the material values in the garden need cultivation, so do the values that can flow from the light within demand cultivation if man is to avail himself of them. In the garden a variety of seeds are planted, and grow out of a like quality of soil. In man's garden of life there is variety without end of seeds of "truth."

A package of garden seeds in the envelope has directions for their planting. The seeds of "truth" in the Book of Life minister to understanding, that we may implant them into action in life, for example: "He that tilleth his land shall have plenty of bread." "A faithful man shall abound with blessings." "A man's judgment cometh from Jehovah."

By Isabel Inglis Colville

The story of the Women's Institutes is a human interest story and each chapter shows a more vivid and colorful scene. Being one of the publicity directors for this district, I am watching the newspaper reports in the various Institute centres and will, once a month, try and bring them together to show what the branches are doing.

Of course, this month every Institute is hearing the report of the District Annual with all its suggestions and helps towards future expansion and usefulness. Speaking of the Bogartown branch, which I know the best, I want to tell of our June meeting, for, besides Miss L. Starr's excellent report on the D.A., we had a speaker of more than usual interest to us all—Mrs. Berndt from the Crippled Civilians.

We all know the work that is aiding crippled veterans to re-establish themselves as workers in civilian life, but crippled civilians have been a sort of forgotten people whose needs are no less acute for being forgotten. Mrs. Berndt told of the modest beginning of the effort to help and how, as time has gone on, five stores have been established in Toronto where the discarded articles of clothing, furniture, hardware—anything usable—are put into a sellable condition. The C.C. employs 100 disabled persons, some working in the factory where every sort of work is done, some, not able to come there, doing work at home. Mrs. Berndt told us it was almost miraculous what these workers can do with things which most of us consider ready for rag bag or dump.

In rejuvenated shape there are very few articles for which there is no sale. She told us of an antique sale of furniture which had been sent them because people had no use for it and which the C.C.'s were afraid they

might have to scrap. However, it was polished, repaired and generally overhauled. The result? Several thousand dollars for the C.C.'s.

Mrs. Berndt said the society was not out for big profits—their aim was to make enough to pay their 100 crippled employees. Used stamps is another thing they ask for. I asked of what possible use they could be—ordinary stamps—and she said that they are sorted and sold to big firms that deal in stamp collections. One thing we must remember, said Mrs. Berndt, that old clothing donated should not be mended—that is one of the C.C.'s jobs. Our Institute sent back with Mrs. Berndt a large carton of articles for the C.C.'s.

At our meeting two letters were read of great interest. Mrs. Walker of our own branch read one from a little Belgian girl who had worn a red dress she sent, all winter and said it was so nice and warm. The other letter was read by Mrs. J. Hope, secretary of the Pine Orchard branch, who, with the president, Mrs. B. Dike, were our guests. It told of a Dutch family of eight who had been clothed by their branch.

Mr. Fairbairn is sending boxes to Holland and a collection was taken up to send two more for which the materials had been collected, for the freightage is heavy.

I see that the Mount Albert members operated a booth for their Sports Day in that village and made a splendid beginning for their year's work; saw too, that King had had Miss Griffiths of Aurora high school speak on home economics—and what could be more important than proper home making?

Just as I see reports of special activities in the various Institutes, I shall gather them up into a general resume so that we can all benefit by them, for we are not pledged to do our best for "home and country"?

Getting Sally Ready for School

The ambitious little five-year-old miss, who is so anxious to start to school that she plays school with her dolls most of the day, is now pestering her mother to teach her to read. Sally's mother is quite right in saving the reading lessons for the teacher. Sally's teacher will have her method of teaching beginners to read and it disrupts the class to have some pupils who know the alphabet, others with a knowledge of phonetic symbols and still others able to recognize whole words. Do look over picture books with Sally and read to her all you like but leave Sally's reading to Sally's teacher.

There are many, many other lessons to teach Sally that will help her progress in school instead of hindering it. Perhaps you can interest some other mothers in kindergarten work with your children. The children need to learn how to sit quietly with other children listening to a story, telling their own stories so they can be understood and doing seat work of a pre-school nature in a room with other children. They need to learn how to play and work together under supervision.

It is time Sally learned how to dress and undress herself, wash and dry her hands and face and go to the toilet alone. Buttons are troublesome to little fingers and shoe ties are even more provoking, but these can be mastered before school opens, if mother is patiently helpful. We mustn't expect Sally's teacher to be her nursemaid as well as her teacher. Sally is very fortunate to have a mother who wants to help her prepare for school and is willing to spend considerable time helping her.

FAILED TO REPORT MISHAP, FINED \$40

Magistrate J. E. Pritchard, K.C., dismissed a charge of careless driving against David McCutcheon, Newmarket, in magistrate's court here on Friday on the grounds that there was not sufficient evidence. On a further charge, that of failing to report an accident, McCutcheon was fined \$40 and costs of \$11.75 or one month. McCutcheon pleaded not guilty to the dangerous driving charge, guilty to that of failing to report.

Constable Stewart Martin, Newmarket, stated that he had been called to investigate an accident on Queen St., Newmarket, about 1.20 a.m. on June 6. He said he found a car had hit a telephone pole, which was 12 feet or more off the travelled portion of the highway. The telephone wire, he said, was hanging down about a foot and a half from the ground.

Constable Martin stated the top part of the pole was hanging from the cable and was pointing west. He said the road was about 30 feet wide. He said it was a heavy, galvanized cable of considerable strength.

He stated that he had talked to the accused the same morning a few hours later, but he did not make a statement until June 8. He stated Constable Earl Wrightman was present at the time. He said McCutcheon said his car went out of control and hit the telephone pole and that he did not notify anyone about the accident.

Roydon Prosser, Belhaven, pleaded guilty to a charge of illegal possession of liquor and was fined \$10 and costs or 30 days. The liquor was confiscated. Constable Geo. Foster laid the charge and stated he had found several bottles of beer in Prosser's car at Mossington Park.

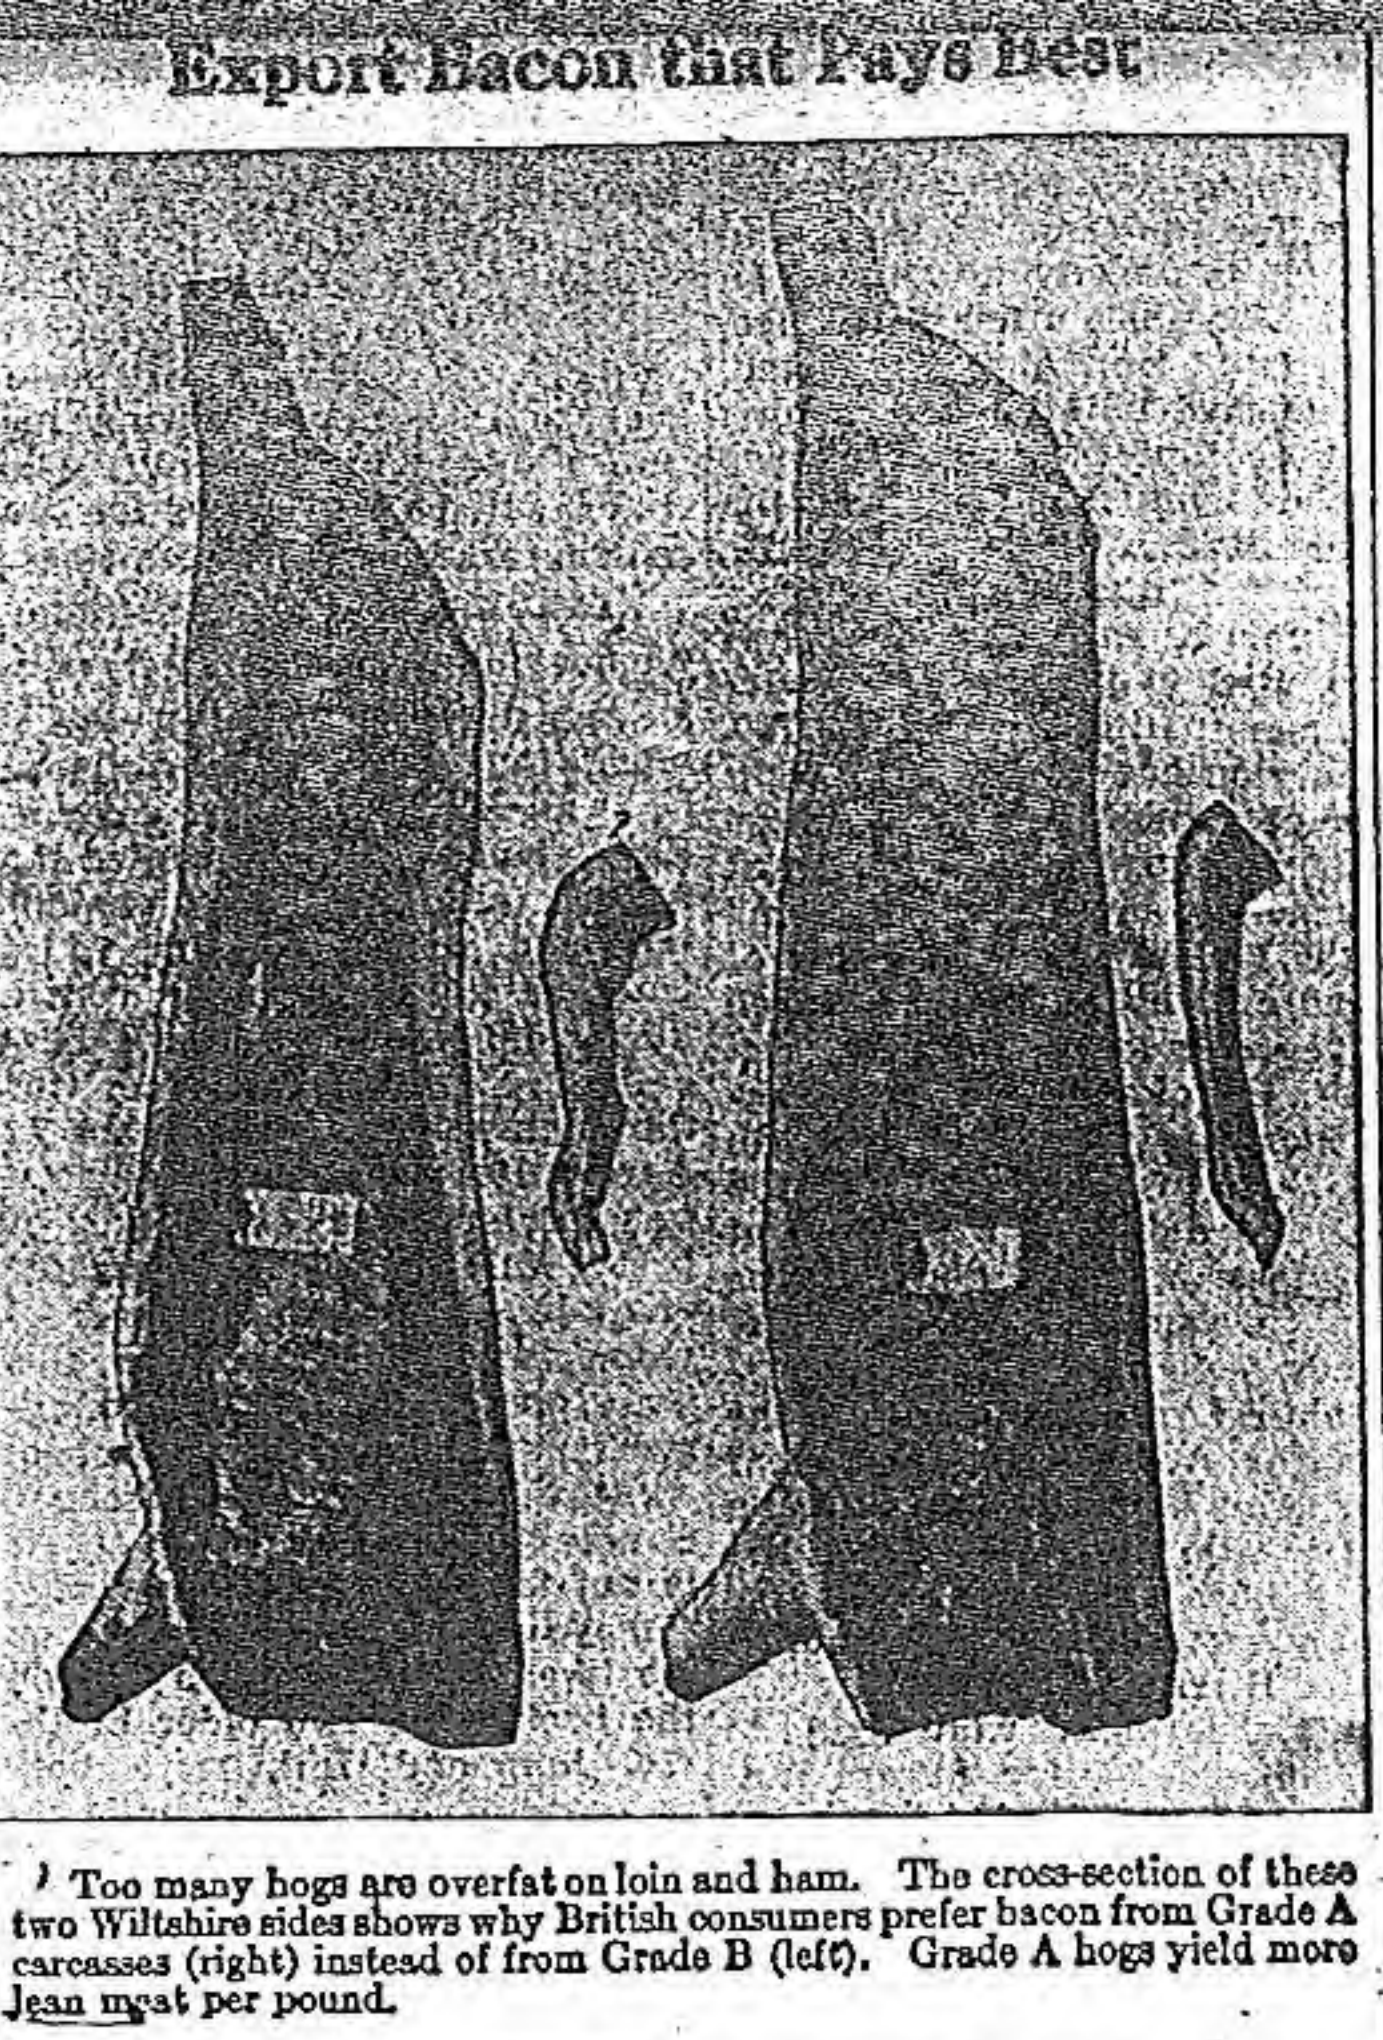

Douglas H. Morrie, Toronto, was fined \$15 and costs on a charge of dangerous driving in Newmarket. Chief Constable James Leeder laid the charge.

Andy Hay, R. R. 2, Newmarket, pleaded guilty to a charge of unlawfully discharging a rifle in a prohibited area at a prohibited time and was fined \$10 and costs or ten days.

S. T. Wellington, Toronto, was fined \$10 and costs for hunting without a license.

Magistrate Pritchard suspended sentence on payment of the costs of \$1.75 on a charge of having a trailer on the highway at night without lights on it against Roger Speer, Toronto. Mrs. Amelia Speer, who appeared in place of her son, stated they had rented the trailer and did not know that lights were necessary. She stated it had a reflector at the back and they thought that was sufficient.

John Clayton Davidson, who is stationed at the Ordnance Depot in Aurora, pleaded not guilty to two charges laid against him by Joseph M. Gaiger. On a charge of drunkenness he was fined \$15 and costs or 30 days. On the charge of causing a dis-

Export Bacon that Pays Best

Too many hogs are overfat on lard and ham. The cross-section of these two Yorkshire sides shows why British consumers prefer bacon from Grade A carcasses (right) instead of from Grade B (left). Grade A hogs yield more lean meat per pound.

Davidson was fined \$25 and costs or 30 days. He was also bonded to keep the peace towards Joseph Gaiger and keep away from his present premises for six months.

Mr. Gaiger said that the defendant had come to his dance pavilion at Wilcox Lake and that he had gone in without paying his way. He had been asked to leave and then had paid his way and returned, he testified. He then proceeded to the microphone and began to cause a disturbance. "He then began dancing with another boy in a manner harmful to the other dancers," Gaiger continued. He was asked to leave and threatened to punch him in the nose. Mr. Gaiger stated that Fitzsimmons interfered to prevent Davidson from hurting him and a minor fight had followed.

Following this, Mr. Gaiger continued, Davidson had gone out to the refreshment booth and had caused a disturbance by using profane and obscene language. He said Davidson then rushed into the booth and pushed someone into him and almost knocked his teeth in. He said the police had been called but had not come. Davidson then returned to the dance hall and Fitzsimmons had been prevented by two big fellows from putting him out, he concluded.

Lawrence Fitzsimmons then took the stand and corroborated the evidence of Mr. Gaiger. He added that he had hit Davidson three times and that he had knocked him down twice. He stated the crowd had stopped dancing and gathered around but that there was no evidence of panic.

Davidson, in his own defence, said he had not been drinking that day. He said he and his friend had gone to the dance at Wilcox Lake because there was nothing to do in Aurora. He said he had gone up to the front after paying his way in and had spoken to a friend in the orchestra and had put his hand on the microphone. He said he then began dancing with his friend, was told to leave and was struck without warning as he was leaving the hall. He said the constable had taken them back to Aurora.

Irvine McDonald, who was with Davidson, corroborated the evidence of Davidson.

Constable Aubrey Fluery told the court he had picked the two boys up about an eighth of a mile from the dance hall, had ordered them to get into the car. He said Davidson's face was cut up and that he had been drinking and was staggering along the road.

In passing judgment, the magistrate said there was no doubt in his mind that Davidson had been causing a disturbance and interfering not only with the management but with the patrons who were using the dance hall. On the charge of drunkenness, the magistrate said he strongly suspected the accused of perjury.

Capt. C. L. Watson of the R.C.O.C. in Aurora stated Davidson had been in the army since March, 1944, and during that time he had had no convictions against him and his conduct had been good. He stated he was employed on the regimental police in the return stores depot.

Leslie Moffat, Newmarket, was fined \$100 and costs or three months on a charge of illegal possession of beer and Phyllis Vaughan, Newmarket, was also fined \$100 and costs or three months on a similar charge. The beer was confiscated. The charges were laid by County Constable Ronald Watt and heard last week by Magistrate Pritchard.

M. W. REIVE DIES FOLLOWING ILLNESS

After a long illness, Marshall William Reive passed away at his home in Churchill on June 13, 1946, in his 55th year. Son of the late Mr. and Mrs. Robert Gilmour Reive, he was born on the fourth concession of Innisfil on lot 17, now the home of Robert Boyes, and moved with the family, when a child, to Birkham Farm, the Reive home- stead on the fifth line, where he resided until the spring of 1945, when, owing to ill health, he sold his farm and moved to Churchill, where he resided until his death.

In 1934, Mr. Reive married Vera Ferne Horner, youngest daughter of Mr. and Mrs. Thomas Horner of Sutton West, who survives him.

Always interested in community affairs, particularly in sports, he was a keen participant in baseball and curling, being for many years a member of Knock Baseball Team, Churchill and Lefroy softball teams, and the Churchill Curling Club.

A member of the United church, he was actively associated in his earlier years with the Young People's Society and Bible Class, a member of the choir for 36 years, and at various times on the board of stewards. He was also a member of the board of trustees of the sixth line cemetery, and a director of the Innisfil Telephone Co.

The funeral was held at his home on Saturday, June 15. A private service at his home was followed by a largely attended service in the United church. Rev. D. T. Lancaster, pastor, officiated.

Brian Jackson sang "Crossing the Bar". Floral tributes were

many, testifying to the high esteem in which Mr. Reive was held.

Interment was in Sixth Line cemetery and the pallbearers were Harlan Huntley, brother-in-law, John R. Reive, nephew, Orville Todd, George Constable, Harvey Ralston and Irving Robertson.

Surviving are his widow, six brothers and four sisters, Wellington Nelson, Harvey and Mrs. H. D. Rogerson (Maude), of Toronto; Morley of London; Mrs. T. R. Pickard (Emily) of Guelph; and Joanna, Anne, Gilmour and Walter of Churchill.

DOWN THE CENTRE
By AB. HULSE

Patience and fortitude, according to the present hot platter favorite, is bound to pay off and if so, our friend, George Cosford, Aurora, and his wife are about overdue to hit the jackpot. Almost forgotten by many in recent years is the fact that Mr. and Mrs. Cosford are still actively engaged in the racing business.

Mr. Cosford goes daily to Thorncliffe track where he has three hopefuls in training and he expects to send them out either at Connaught Park, Ottawa, or at Fort Erie.

The trio are Sand Star, a six-year-old brown who has run before, Manoaah, a four-year-old chestnut horse who has never started in a race, and Golden Fan, a chestnut gelding, two years old and the pride of the Cosford stable but who has yet to face the barrier. All three are from Sandridge-Rosenoire parentage, both stud and dam still owned by Mr. Cosford. Sandridge is 19 years old now and hasn't raced in some years. He is of good blood line, however, as is Rosenoire.

Golden Fan is a bit on the small side but those who have seen him in workouts figure he has something. Sand Star and Manoaah will get the nod to go this summer and perhaps Golden Fan. The Cosford colors are blue with yellow diamonds and red caps and it is some time since they flashed home in front. Most celebrated occasion was when Rockroma came through at juicy odds, breaking the bookies' hearts. Old Rockroma is no more, ending up as most horses do who don't die a natural death. Keep your eyes open for the Cosford horses at the starting gate. If they come home in front, a deuce will get you some fifty odds. Whenever George decides to give his horses the green light you can depend upon it there'll be plenty of folk in North York pulling for them to come through. Mrs. Cosford is the owner of the horses and George, of course, does the training.

Percy Hill, former headman of the Richmond Hill lacrosse club and well known district sportsman, heads the Richmond Hill Lions club for 1946-47 which should augur well for the continuation of the sports program of the Hill Leos which have done so much for minor sport. Kenny Kingdom, member of the well known Weston lacrosse family which coached Richmond Hill to several lacrosse championships in the 30's, is being sought as coach of the 1946 edition of the Young Canadians, which has not been faring too well in the North York lacrosse league. Kenny, if secured, can be depended upon to do a high class job.

Bobby Schnurr, who was one of the top players for Toronto navy in the district service hockey league of 1945, after playing hockey last winter for Boston Olympics, is now playing professional baseball for Hamilton in the pony league. Lefty Wilson, goalie and "the voice" of the same navy hockey club, is now the property of the Toronto Leafs baseball club and is in action for Savannah, Ga., which is linked with the Toronto club. Lefty is playing great ball too.

Ed Tidman, currently hurling for Aurora in the North Yonge league, Pine Orchard in the Lake Simcoe league and Aurora Canadian Legion, tossed the big apple last year for Uplands in the Ottawa services circuit. He's not back to his 1945 form yet but is slowly rounding into shape.

Jack McDonald is a happy man these days as he talked the boys of the North Yonge league into giving him a berth for his Newmarket Vets. Old "Ceegars" is chanting the praises of Bill Vanzant who has won nine straight pitching performances and after seeing Aurora and Thornhill in action, he figures his Vets have a real chance to take the honors. The winners will go into the O.A.S.A. Intermediate C series, which was won last year by Meaford. Under the O.A.S.A. ruling, clubs eligible for this series must come from populated areas "under 3,500" this would allow Aurora but Newmarket Vets, if they won, would have to play in intermediate B. Incidentally, Nels Findlay, who is one of the main cogs in the Thornhill team, and Bill Bowen, who will be hurling for Langstaff, will

both be ineligible for O.A.S.A. competition outside the local group since they are already signed to O.A.S.A. certificates with Toronto senior B teams and playing in the city as well. In an exhibition game a few weeks ago, Thornhill trotted out a tall, moustached fellow with thinning hair, at first base. His physog looked familiar to most of the older fans in the Aurora park. They had reason to remember him for it was Bert Sharpless who used to play baseball with Richmond Hill in the old Tri-County league and was a pretty fair performer. "Bert", whose right moniker is Bryan, has just returned to civvies after serving in the R.C.A.F. with the rank of squadron leader. He played hockey and soccer in the district and is the older brother of Herbie Sharpless who used to south paw them over for Aurora in the 30's. He didn't do a bad job at first base and will doubtless be seen in games as occasion demands.

Bobby Lynn, who guarded the nets for Aurora army the year they won the intermediate O.H.A. title in 1943, is out of the army now and is catching for Amalgamated in the Dentonia senior B league.

Bill Thornton, who used to play on defence for Aurora juniors when Bert Tunney was just nicely getting the team underway, is pitching softball for Tottenham this year. Bill has been in the R.C.A.F. the last five years. Down at the University of Toronto plant at Ajax is Nuggets Shore who for years was the ace pitcher of Aurora teams in the York-Simcoe league. Kelvin, a public school teacher before enlisting, is headed for a spot of higher learning and hopes to wind up as a high school teacher. No news of his sports activities available.

Jack Dyle, well-known Barrie athlete who was with St. Louis Flyers last season in the American Hockey League, has been sold to Buffalo Bisons. Tommy Burlington, presently playing lacrosse for Owen Sound and one of the leading scorers in the same league, though having only one eye, has been traded by Cleveland to Providence. Burlington, played for Owen Sound against Aurora Tigers back in 1940.

Sparky Vail, former Newmarket Redman hockeyist and a member of Aurora Blue Ribbons in the Tri-County league, is twirling again for McIntyre in the Northern Ontario baseball league. Sparky is still able to do a fair chucking chore.

Morley Schandlen, who back in 1941 seemed through as a pitcher (at least he was hit hard most games), as a member of the Midhurst Foresters in the York-Simcoe softball league, is the leading pitcher of the Centre Simcoe league. Morley, who is past 40, has taken on a new lease on life and his googlie ball has the boys swinging hard.

Up in the Soo, there are quite a few well-known faces seeing softball action from the reports we get of former Newmarket camp athletes. Terry Biocchi, who was the leading scorer and probably the best individual player in local mercantile hockey, is playing in the outfield for Esquires in the Soo senior league. Walter Zuke, speedboy of the Newmarket camp hockey team of 1944, is at third base for Bayviews in the same league, and Whippet McMaster, who played for the camp on the ice in 1943, is catching for Outlaws at the northern centre. Al Wysinski, better known for his softball and baseball activities at the camp for a couple of years, is in action. Al, who understudied Ernie Hughes in the nets for Newmarket, was sub-goalie for the Soo Athletics which are the all-Ontario intermediate A hockey champions.

Reg Blackstock, director of physical education at Pickering College for many a moon, outstanding basketball coach and referee, who is headed for McGill University next fall, will not be entirely lost to McCulley Hall we understand. Along the grapevine we understand Mr. Black-

stock, in English or Latin, is a P.H.E. course, will also do some practical instruction work at the Montreal institution and will more or less direct things at Pickering in absentia, with frequent visits to the Newmarket prep school. "Blackie" will head back to Pickering following his course under his present plans, which will be good news for the sporting fraternity in North York.

Keith Kyle, sensational young pitcher for Aurora midgets and a sweet hitter too, is fast developing into one of the district's best all-round athletes. Young Kyle played goal last winter for Aurora O.M.H.A. midget champions and was picked by yours truly as the best junior centre player in secondary school basketball. He played soccer for the high school soccer team at Aurora last fall and turned in a fair performance at track. A pretty fair record in sports for any kid. Peep at the high school exam results elsewhere in this issue and you'll see the youngster's name as top middle school student at the Aurora school. Generally, one so active in sports is not too hep at the knowledge College which is another reason we like to give Keith a pat on the back. His two older brothers, Ron and Bill, were both

senior basketball players in their school days. The Kyle home is near Maple which adds to the difficulty the kid experiences in keeping sports appointments and staying with his studies.

While you've been reading about all the open and shut hockey activity in the National Hockey League, we have it from a friend in Halifax that Bill Cowley of the Boston Bruins and onetime linemate of Herbie Cain, will definitely retire from professional hockey this fall. Bill is angling for the coaching job of Halifax Wolverines and 'tis said he'll get it too.

The Barton brothers, who perform with Combines in the local lacrosse circuit, are developing into one of the speediest and best passing trios it's been our pleasure to see in lacrosse for some years, and along with Hughie Kerr, elongated home player, there isn't a better foursome on the attack. Brothers Harry (centre) and Ray (rover), look so much alike we have a tough job crediting their goals properly, which causes a bit of argument in the Burton household. Only Cleve Burton can be sure to get proper credit on the goals. Kerr, the fourth member

Every Young Husband

...should answer these questions:

Were the EXPENSES of starting your home greater than you expected? In most cases the answer is "yes." Probably there is a mortgage and other debts. Given time, you can pay them! But they could be a burden to your wife, if something should happen to you. That is one reason why you should have adequate life insurance protection.

Does it matter which COMPANY you insure with? Yes! Life insurance companies are much alike as to policies and rates, but actual long-term results vary widely. Evidence of

the satisfaction of Mutual Life policyholders is furnished by the fact that whole families and succeeding generations have entrusted their life insurance programs exclusively to The Mutual Life, and each year approximately 35% of its new business comes from policyholders. A MESSAGE FOR THOSE WHO NEED TRAINED WORKERS

I recommend to you CANADA'S VETERANS

To take full advantage of the great future possible for Canada, Canadian business will need men of courage and initiative — purposeful men of sound judgment. I know where such men may be found for I have worked with them, lived with them and fought with them. They are Canada's veterans and I am confident that the loyalty, initiative and unflinching determination which made them the best troops in the world, will also be the qualities so essential in Canada's business life.

Many are already skilled tradesmen, and many have a sound foundation of skills on which wise employers may build. I know of no better man-power supply in the world than the men and women from Canada's armed forces.

CONSIDER THESE SERVICE SKILLS

ARMY TRADE FITTER

Only one of 216 army trades, the trade fitter was trained to make and fit new or reworked parts of guns, power trains, gearing units, valves and machine tools. He had to follow simple sketches and blueprints, and among other duties, make parts from metal castings, forgings and stock. A knowledge of the working properties of steel and non-ferrous metals was essential. He typifies thousands of veterans available to industry today.

ELECTRICAL ARTIFICER

In the navy, this man maintained electrical navigation equipment, lighting systems, telephone switches and was a specialist in many naval electrical installations. He was a skilled machinist, qualified for general machine work and for manufacturing and repairing electrical equipment. With on-the-job training he would be capable of house and industrial wiring.

STATIONARY ENGINEER — R.C.A.F.

His duties were the installation, operation, overhaul and repair of all heating equipment used by the R.C.A.F. He had a knowledge of steam fitting, valves, pumps of all types and underground and overhead distribution systems. He holds a current provincial first, second or third class certificate. This is only one of the many specialized trades in the R.C.A.F.

COUPLE WILL

LIVE IN TORONTO

Rhodes Avenue United church, Toronto, in a setting of white peonies and orange blossoms, was the scene of the wedding June 22 of Joyce Claretta, daughter of Mr. and Mrs. Harford Leitch, Maple Hill Farm, Queensville, and James Williams, son of Mr. and Mrs. Robert Williams, Scarborough Bluffs. Rev. Christie officiated and Miss Patricia Pulford was soloist.

The bride, wearing white satin with shoulder-length veil and carrying red and white roses and sweet peas, was given in marriage by her father. Her cousin, Miss Helen Fritz, was bridesmaid and wore pale yellow net, period style. Best man was Mr. Gordon Henry and ushers were Messrs. Tom Regan and Harold Leitch.

The reception was held at the home of the bride's aunt, Toronto. The bride's mother received in a grey crepe dress with mauve accessories and the groom's mother received in a violet sheer dress with white accessories. For travelling to Georgian Bay where the honeymoon was spent, the bride wore a beige dress with brown coat and accessories. The couple will live in Toronto.

Guests from a distance included Mr. and Mrs. Garvin Hodgins, Sudbury, and Mr. and Mrs. Wilbur Fritz, Trenton.

KING BRIDE WEDS

Q.O.R. CAPTAIN

The bride's grandfather, Rev. Robert Emmett of Montreal and Very Rev. Dean C. E. Riley officiated on June 18 for the wedding in St. James' Cathedral, Toronto, of Mary Jean Emmett, King, and Wharton Frederick Ridout Hood, former Queen's Own Rifles captain.

Mr. Alexander A. Emmett of King gave his daughter in marriage and she wore a white dotted Swiss gown with drop neckline of pleated bengaline and Mary Queen of Scots head-dress of stiffened lace with flowers under the brim. She carried a star-shaped bouquet of white stocks and gladioli centred with a gardenia.

Mrs. Edward Barrett of Stratford, Miss Elizabeth Leech and Miss Glen Hood attended, wearing similar dresses of pink lace with drop shoulder line and full net skirts. They had bands of pink carnations for their hair and carried showers of mixed summer flowers. Mr. John Kingsmill, formerly of the R.C.N.V.R., was best man for the groom, the son of Mrs. Hood and the late Dr. F. C. Hood of Toronto. Ushers were Mr. Thomas Fraser and Mr. Leonard Lucas, both of the R.C.A.F.

During the reception at the Royal York the bride's mother received, wearing a long white silk dress with large black picture hat and gardenias on her evening bag. The groom's mother assisted, dressed in teal blue and black print with matching hat and orchid corsage.

For a trip to Muskoka the white blouse, fuchsia hat and bride had chosen a fuchsia suit, black accessories. The couple will be living in Toronto.

WEDDING HAS LOCAL INTEREST

A wedding of interest in Owen Sound on Saturday was that of Berniece Elizabeth Case, daughter of W. Garfield Case, M.P., and Mrs. Case, of Owen Sound, and William Mordant Peters Benson, son of Mrs. Benson and the late Mr. Mordant S. Benson of Toronto. Rev. Ross Adams performed the ceremony in St. Andrew's Presbyterian church. Mr. James Clark played the wedding music.

The bride's father was born in Aurora and besides residing here also lived at Bradford. Mrs. William Case of Aurora is the grandmother of the bride.

Mr. Case gave his daughter in marriage and she wore a white satin gown fashioned with a court train. Her embroidered silk net veil was full length, and fell from a Queen Anne head-dress. She carried a cascade of stephanotis, coral Sweetheart roses and swansonia. Mrs. Michael J. Goulay, of Galt, was matron of honor, and two sisters of the bride, Misses Ruth and Jean Case, were bridesmaids. They were dressed alike, the matron of honor in coral and the bridesmaids in turquoise blue faille taffeta. Their frocks had short trains and they had taffeta mittens and wore flowers in their hair to match their bouquets of lavender sweet peas, coral roses and marguerites. Robert McNair, of Toronto, was best man and the ushers were Edward R. Brennan and Dr. Andrew Park, of Toronto.

The reception was held at the Owen Sound Golf and Country Club, where the bride's mother received wearing a grey crepe dress with large brimmed grey panama straw hat and corsage of Killarney roses and bouvardia. The groom's mother assisted, wearing a turquoise Swiss crepe dress with large Milan straw hat and corsage of Joanna Hill roses.

For their wedding trip to Muskoka the bride wore a pale blue gabardine suit with navy hat and accessories and a corsage of American Beauty roses and bouvardia. The bride is a graduate of Wellesley hospital and has been a stewardess on TCA. Mr. Benson, formerly a flight lieutenant in the R.C.A.F., is now a captain on TCA. They will live in Toronto.

WEDDING HELD OUT OF DOORS

The marriage of Lillian Emma, daughter of Mr. Thomas Shepard, Isle View Farm, Island Grove, to Charles Maxwell, son of Mr. R. A. Cowison, was solemnized on the lawn of the farm Saturday afternoon, June 22. Rev. Gordon Lapp officiated and Miss Shirley Pollock played the wedding music.

The bride, given in marriage by her father, wore her mother's wedding gown of white silk embroidered net over taffeta, a finger-tip veil and carried white roses.

The bridesmaid, Miss Mary Kelly, was in pale pink mesh with short veil. Her bouquet was of matching gladioli.

Little Charlene Pollock in white silk was ring bearer. The best man was Mr. Alfred Sheppard, the bride's brother.

Later Mr. and Mrs. Cowison left for Toronto enroute to Niagara Falls. Going away, the bride wore a smart suit of pale blue flannel with hat to match.

EVELYN CROUTCH

WED JUNE 15

A pretty wedding was solemnized on Saturday evening, June 15, at Queensville United church parsonage when Miss Evelyn Crouch, daughter of Mr. and Mrs. William Crouch, Queensville, became the bride of Bruce Cupples, son of Mr. and Mrs. Percy Cupples, Ravenshoe.

The bride wore a floor-length gown of white brocade sheer with shoulder veil and carried a bouquet of pink roses. She was attended by her sister, Mrs. James Prior, who wore a floor-length gown of pale blue satin, shoulder length veil and carried a bouquet of Talisman roses.

The groom was attended by his brother, Mr. Donald Cupples. A reception was held at the home of the bride's parents. The bride's mother received, assisted by the groom's mother.

For travelling the bride wore a grey dressmaker suit, grey hat and black accessories.

S.A. CAPTAIN WEDS IN SARNIA

Capt. Bryant Stevens, Salvation Army officer at Aurora, married Salvation Army Capt. Eileen Wren, the daughter of Mr. and Mrs. Fred Wren, Sarnia, at the Salvation Army citadel in Sarnia on June 22. The citadel was decorated with palms, delphiniums and orange blossoms. The groom is the son of Major and Mrs. Bryant Stevens, Windsor.

Capt. Frank Wren, Ridgetown, and Major B. Stevens, Windsor, officiated. Walter Wren was organist and Capt. Dorothy Carr, Toronto, was soloist.

The bride and her attendants wore the Salvation Army uniform with the bride carrying red roses and her bridesmaids, Miss Anne Hayward, Toronto, and Miss Verna Quinn, Toronto, carrying yellow roses and blue delphiniums. Gael and Nelda Stevens, twin sisters of the groom, were in white as flower girls and carried colonial bouquets. Capt. Jos. Craig, Whitby, was groomsmen and Mr. Herbert Stevens, Kingston, was best man. Messrs. Fred and Leslie Walter were ushers.

Following the ceremony, a reception was held in Divine St. United church where the mothers of the bride and groom received in their Salvation Army uniforms. For travelling to Muskoka, the bride wore a turquoise jersey dress with dark brown accessories. The couple will reside in Aurora. Guests were present from Kingston, Toronto, Windsor, Whitby, London, Detroit and Ridgetown.

ANSNORVELD INSTALL NEW PASTOR AT REFORMED CHURCH

Rev. Postumus, Grand Rapids, Mich., accompanied by Mr. R. Turkstra and Mr. and Mrs. W. Turkstra, Hamilton, visited friends here on Sunday.

The congregation of the Christian Reformed church met last Monday night to welcome Rev. and Mrs. J. Vandermeer to the community. A social hour was enjoyed by all present and refreshments were served afterwards.

Rev. S. A. Dykstra, Hamilton, preached an installation sermon last Sunday morning and Rev. J. Vandermeer preached his inaugural sermon in the evening and has begun his pastoral duties in the congregation.

Mr. and Mrs. J. Vitulug and Catherine have left for Grand Rapids, Mich., where Mr. Vitulug hopes to attend summer classes at Calvin College.

Mr. Wm. Horlings visited the flooded areas at Chatham district last week.

KESWICK

NEWLYWEDS FETED AT KESWICK CHURCH

The bride and groom of June 1 were honored with a social evening and shower of gifts on June 14 in the school room of the United church. Mr. and Mrs. Leonard Burch (Eula Pollock), were the recipients of many beautiful and useful articles from relatives and friends. Other events made the day an unusually busy one so that there were gifts from a number who could not be present, as well as from those who enjoyed the happy occasion.

With Miss Shirley Pollock as accompanist, Dan and Doug Peters sang a duet and Kenneth Boothby a solo. Wise and otherwise advice was offered by several speakers who conveyed the good wishes of all to the guests of honor.

Rev. Roy Sedore, Kingston, was in Keswick last week.

Weekend guests from Toronto who were with relatives or friends included Miss Beth McAlpine, Miss Mary Jean Marritt, Mrs. Arthur Pedlar and Miss Geraldine Gable.

A former Keswick resident who is holidaying here is Mrs. C. E. Jeffrey.

Mrs. E. A. Knetchell, Sutton, who was at one time a missionary in Korea, gave an address at the silver tea at Keswick United W.M.S. held in the manse June 20. Mrs. H. G. Leary drove Mrs. Knetchell to Keswick. Mrs. W. A. King and Mrs. Harold Bray represented Ravenshoe W.M.S. Miss Eva Gilroy, Keswick president, presided.

On Sunday, June 30, the evening service of the United church will be transferred to Pine Beach Park, south of the village. The hour will be 8 o'clock and the general public is invited.

In a closely contested Lake Simcoe league game, Keswick finished ahead of Roche's Point on Monday evening. The score was 16-12. The Point team showed great improvement and led through the early innings. Keswick defeated Baldwin 14-8 on June 21 and, after Monday night's game, was leading the northern section with five wins and one loss.

Clark Gable, Bob Draper, Herbert Taylor and Bob Browne are among the campers at the North York junior boys camp which opens the evening of June 27 and continues until noon on July 3.

Mr. and Mrs. Scheele of Allandale, California, spent a few days last week as the guests of Mrs. Etta Wilder.

Mrs. M. Arnold and Mr. W. Wright of Queensville visited Mr. and Mrs. James Wright on Sunday.

Mr. and Mrs. Powers and Mr. B. Bond of Guelph arrived Monday to open their Keswick Beach Cottage for the summer.

Rev. and Mrs. Gordon Prosser of Chesley spent Monday and Tuesday the guests of Mr. Wm. Prosser.

Mr. and Mrs. Cecil Grant have rented "Grantholm" at the beach to the Misses Evans, Toronto, and left this week for Barrie on the first lap of a summer holiday trip.

Mrs. Ronald Sennett and children of Queensville, Mrs. Farr and Mrs. Pinder from Sharon are spending a couple of weeks at Mrs. Etta Wilder's.

Mr. and Mrs. Kennedy and three children of Windsor are guests of Mrs. Kennedy's sister, Mrs. R. Serrick, and Rev. Serrick.

A community shower was held Tuesday evening for Mr. and Mrs. Wallace Donnell. Mrs. Donnell is a British bride recently over from England.

Combines Take 10-1 Win From Young Canadians

Turning on the heat, and displaying too much class for the opposition, Combines swept to an easy 10-1 victory over Richmond Hill Young Canadians at the arena Friday night. The Hill boys tried hard and their rugged style of play disrupted passing plays until late in the game when Combines went to work with a will.

It was 1-0 at the quarter, 3-1 at the half, 8-1 at the three-quarter pole and 10-1 at the final whistle. Ray and Cleve Burton each garnered two goals apiece, with singletons going to Hugh Kerr and Norm Alexander. Jeff Elliott really sparkled with a quartet of markers. Bill Buchanan got the lone Hill goal. Charlie Rowntree and Ab. Hulse made the game.

Tomorrow night Combines meet Maple in what should turn out to be the fastest game of the season. Both teams have a one-goal decision over the other and there is little love lost between the two teams. Maple is bringing a large crowd of supporters and Combines are anxious to consolidate their second place berth. The game will get underway at 8:30 p.m.

NOBLETON NEARS GOAL FOR MEMORIAL RINK

Of the estimated \$13,000 needed, \$9,000 has been raised by the Nobleton community memorial committee for the building of a new arena. Work will get underway in September. Materials will cost \$10,500 and the balance will go to extra labor, aside from the free help that will be contributed by the entire community. The project, which will fill a big need in the life of the district, was started late in 1944 with a donation of \$1,200 by the Nobleton Women's Institute. Almost every known means of raising funds has been used effectively to augment the fund with a different committee in charge of events each month. The system has worked well, and the goal is now in sight.

BUY HOME
Mr. and Mrs. Joseph McGhee, Jr., have purchased the residence at 46 Wells St. now occupied by Mr. and Mrs. Frank Smith.

Tax Adjustment Urged Ere School Area Formed

Pointing out the difference between King township with an assessment of approximately \$150,000, and the town of Aurora with an assessment of approximately \$1,600,000, Thomas MacMurphy, reeve of King township for seven years prior to 1946, said that he thought there should be some equalization of tax payment in event that a high school area should be formed about the Aurora high school.

Mr. MacMurphy said that King township would be forced to carry a burden out of proportion to its present costs should the area be formed. "King township farmers would pay more than Aurora ratepayers and would be called upon to carry the extra cost of a new addition to the high school to accommodate the increased student enrollment which would result from the closing of the Schomberg continuation school," he declared.

Mr. MacMurphy said that he thought there should be an equalization of taxation between King and Aurora and Whitechurch combined before the formation of a high school area. "With the present assessments, what it boils down to is that King pays two-thirds of the whole cost to one-third by Aurora and Whitechurch combined," he said.

PRODUCTION IN JULY
Providing yarn and further machinery are received on schedule, the Aurora Textiles Ltd. will likely get into production in a small way in July in the Mechanics' Hall building. Two large and expensive knitting machines have been installed and trials are being made. An air compressor and shafting and lighting improvements have been made. Very little change has been made to the interior as under the present agreement with the municipality the building must be returned in shape to be used as a public hall.

Mrs. Jennie Thompson Dies In Her 76th Year

The death occurred at York County hospital on Tuesday of Mrs. Jennie Thompson of Harrison Ave., who had been in ill-health the past year, was in her 76th year.

A native of Hastings county, her maiden name was Hicks and after her marriage she resided for many years at Morden, Man. She came to Aurora around 10 years ago to reside with her sister, Mrs. F. B. Palmer, following the death of her husband.

She was a member of Aurora United church and in her earlier days took an active part in church work. She is survived by one sister, Mrs. F. B. Palmer, Internment was at Aurora cemetery last Thursday with Rev. Roy F. Hicks in charge.

DONATE ICE BOX
Aurora Lions club has purchased a large used ice box from Scanlon's bakery. It was presented to the North York Boys' Work board and has been installed at Camp Abshunyoong, Lake Simcoe, where it is a welcome addition to the equipment.

DOCTORS TEE-OFF
Dr. G. W. Williams won the golf championship of the York county medical association at the annual field day and ladies' day held at the Briars Golf club last week. Attending from Aurora were Dr. and Mrs. J. C. Urquhart, Dr. and Mrs. G. W. Williams, and Dr. and Mrs. Crawford Rose. The ladies enjoyed a bridge tournament, and a dinner entertainment brought the day to a close. Dr. J. C. R. Edwards of Newmarket is president and Dr. James Langstaff of Richmond Hill is secretary.

TO CALL FOR TENDERS TO EXTEND SEWERS

The water committee of Aurora town council last week considered reports given by the town engineer, W. E. Redfern, on the water and sewer extensions needed for the extension of Edward St. south to Cousin's Drive and for the extension of the water service to Trent's farm on Wellington St. and beyond. It will apparently be necessary to call for tenders for both jobs if the work is to be done as the number of men in the town employment plus the work in hand could not possibly provide for the work being done.

It has been found by Engineer Redfern that it will be necessary to connect the Edward St. extension with mains on Mosley St. to provide the type of service needed and this job it is thought will cost at least \$5,000. The cost will be borne by the waterworks account.

Lions Band Takes First Honors At Niagara Contest

Aurora Lions Boys' band captured top honors and a \$100 prize in the Ontario district Lions band tournament at Niagara Falls on Sunday. Only two brass bands were entered and Aurora, under the leadership of the veteran bandmaster Robert Moore, bested the Trenton Lions band, a bigger and older organization under the leadership of Bandmaster Fred Jobson of Belleville.

Seven bugle bands were entered in the other class, and Lesdies Lions took honors. The judge was William Baxter of Fort Erie, formerly with the medical corps and armored corps brass bands. Aurora's prize winning number was selections from J.M.S. Pinafore arranged by Mr. Moore, with Bill Ransom and Stewart DeLafayette featured in the solo parts. Much favorable comment was received by the band members, who wore white striped trousers and white shirts and presented a smart appearance as they marched from the General Brock hotel to Victoria Park where the contest was held.

Re-organized last year on the return of Mr. Moore from the R.C.A.F., the band was taken over by the Lions Club early

this year, and it has worked under great difficulties with cramped quarters for practices and a sprinkling of older band boys mixed with the younger recruits to the organization. In addition, nine of the boys have been at cadet camp and were not able to attend the final practices, although they did practice as a group at camp.

Leaving Aurora by bus at 8:30 a.m., the party arrived at Niagara Camp in time for lunch arranged through the courtesy of Major N. F. Johnson, and after a brief rehearsal, they went on to the falls arriving shortly before the contest. They arrived home about 12 midnight tired but happy. Members of the Aurora Lions club were jubilant about the result.

The boys who won the honors were Eric Smith, Fred Rowe, H. Denne, Jim Ransom, Bill Ransom, Stewart DeLafayette, Gordon Lee, Harold Foote, Bob Stephenson, Jim Wilson, Andy Class, Ted McLenney, M. Speziali, Harold Oliver, Walter Bunn, Mac Urquhart, Charles Williams, Gordon Gunton, Don Watson, Harry Spragg, V. Speziali, Jim Willis, Ralph Rank, R. Speziali, Frank Lee, Clifford Case and David Johnson.

Warren Barnard Named To Head Tennis Club

Warren Barnard heads the Aurora tennis club for 1946, and with the work on the courts being well in hand, the club hopes to get off to a good start.

Three classes will be in play, with the following membership fees: senior men \$5, ladies \$3, intermediate \$2, junior \$1. The seniors will be permitted to play under the floodlights and every encouragement will be given the younger players.

Keith Davis, president of the Newmarket tennis club, has offered to be available on Saturday afternoons to teach the newer players the fine points of the game.

Bill Stephens heads the membership committee and it is expected there will be a large membership. Expenses will be high this year since the courts need so much extra attention and equipment must be purchased and donations by those interested who do not intend to play may be made to Dr. C. R. Boulding.

Dr. Boulding, who has taken the lead in re-organizing the club, presided over the election of the following: pres., Warren Barnard; vice-pres., Wilfred Adams; sec-treas., Dr. C. R. Boulding; grounds, Frank Wims; membership, Bill Stephens. Ladies will be added to the committee at a later date.

Believe School Areas Shaved Till November

"There is little possibility, judging from the present indications, that the high school area question will come before a special session of county council," Deputy Reeve Asa A. Cook said last week. "It will mean the matter will be left over until the November session."

Mr. Cook explained that the special committee on education appointed by York county council desired to have a complete picture of the situation from one end of the county to the other. The present plans submitted only covered certain areas and in the opinion of the committee were piece-meal and not clear-cut. "If anyone can present a clear picture of the whole situation to the committee, I believe they would re-open the matter. So far that has not been done," said Mr. Cook.

The general belief in the county is that if not brought up again before the November session, the high school area plan can not possibly come into effect before 1948.

OVER 5 TONS OF CLOTHING IN DRIVE SAT.

Aurora and district residents responded to the appeal of the clothing drive with over five tons of shoes and clothing being handled on Saturday. In the morning the collection was completed by trucks from the town. Sisman Shoe Co., Collis Leather Co. and A. A. Cook, manned by Boy Scouts and Cubs. Fire Chief Harry Jones, Constable Heath Hamilton and Jack Crabtree, along with the truck drivers, did yeoman service. Cartons were supplied by Aurora merchants.

In the afternoon the clothing was completely sorted and packed by an enthusiastic band of workers consisting of Alfred Williamson, Reeve C. E. Sparks, Nels Anderson, Allan Ferguson, Rev. Roy Hicks, Bill Waite, Rev. R. K. Purdie, Mrs. C. R. Boulding, Mrs. Earl McCready, Mrs. Crawford Rose, Mary Rose, Mrs. Archie Cousins, Helen and Jimmy Higgins.

Postmaster George Walker and his staff accepted a large number of parcels which were turned over to the local committee and all this week have been sending forward parcels brought to the post office. Temperanceville Women's Institute made a large contribution to the drive on Saturday afternoon, bringing their parcels, which were well sorted, to the arena by motor car.

The shipment went forward to headquarters by rail this week. T. A. M. Hulse served as local chairman and expressed his appreciation of the co-operation received from all.

Aurora Legionnaires Bow To Mount Albert

Aurora Canadian Legion soft-balls, making their first start of the season with little or no practice together and with some players in action for their first time in years, went down to defeat 9-2 before Mount Albert's Legionnaires. It was a case of too much Joint McComb, the ex-Newmarket hurler, being in rare form, and adding his own cause with a mammoth homer.

Except for two innings when the Aurora infield fell apart, it was a very even contest. Aurora hopes to get revenge on Friday, July 5, when the Mounties will pay a visit to Aurora.

of the offensive section, is very shifty and dangerous but is inclined to get needless penalties and sometimes to loaf a bit on the defence, but he's tough to stop and can really lay on the crease legally and take a pass.

In case you're in doubt, under the present rules "if an attacking player enters the goal crease and scores that goal shall be disallowed." It used to be that the ball carrier could coast right in on the goalie unmolested but not now. After the ball has been fired from outside the crease, if the player's momentum carries him into the crease providing he doesn't interfere with the goalie stopping the ball, any goal scored is allowed. Let's clear up another point of interest in lacrosse. Time was when blood meant a penalty to somebody regardless of confusion as to who the culprit was or if the referee saw the play. There is no blood rule in effect now. Unless the referee saw the actual play he can't give a penalty. He can increase a penalty meted out if the blow is more serious than at first thought.

Fat James, former captain of Aurora junior hockey club and now one of the stars of the Mimico Mountaineers lacrosse team, made his debut as a lacrosse referee last week and is doing a fine job. Just in case you're wondering, Fat is now employed with his late army chief, Major Connie Smythe, in the sand and gravel business. While awaiting household accommodation, he's residing with the frau at the Charlie Rowntree's. Bet that duo replay every hockey game Aurora ever played in the good old days.

Tomorrow night brings the Maple lacrosse team to Aurora and one of the highlights of the season should result. This Maple crew are near the top of the heap and are playing smart lacrosse. Last week they lost to Woodbridge 6-5 in Lex Mackenzie's bailiwick and then bounded back to whip the Woodbridge boys 9-5 at home. Jimmy Jones and Roy Thompson, two of the smallest players in the group, are near the top of the heap in the scoring race and are mighty hard to keep in check. Lorne Wells of the Maple Buds, one of

the biggest home players in the group, is another who can be watched constantly for some sensational plays. The goal-keeping duel between Harry Rumble, diminutive Maple netminder, and Gordy Smith, the Combines goalie, should be a pipperoo. The league has four of the best netminders we've seen in action anywhere. Here's the league standing as of Monday, June 24:

	W	L	Pts.
Woodbridge	5	2	10
Combines	5	4	10
Maple	4	2	8
R. Hill	1	7	2

Aurora juniors with Jack Andrews hurling good ball handed Milliken its first loss of the season in baseball last week. Ron Simmons should have won his game in Milliken but was beaten by errors. The scoreboard read at the weekend:

Junior	W	L	Pc.
Milliken	5	1	.830
Newmarket	4	2	.664
Aurora	3	3	.500
R. Hill	3	3	.500
Stouffville	2	3	.400
Markham	1	5	.166

Midget	W	L	Pc.
Aurora	5	0	1.000
Markham	4	1	.800
R. Hill	3	1	.750
Stouffville	2	2	.500
Milliken	0	4	.000
Newmarket	0	5	.000

We hope there's no errors in the above but quite frankly the press liaison work from most of the leagues is not of the best and we have to depend upon reports rather than official figures in some cases. Lefty Gibson of Newmarket turned in a three-star effort against Stouffville last week and Manager George Haskett was warm in his praises of the southpaw's slants. Newmarket now has the best pitching staff in the circuit and next week will provide the Battle of Waterloo setting for the junior section as Milliken and the canallowners clash on July 2 (Newmarket), and July 4 (Milliken). Aurora was meeting its closest rival in the midget series, Markham, in games this week, too late for the column. We believe both teams from the "twin towns" are the best in their respective sections. Here's hoping!

The Newmarket Era and Express office is open Saturday evening from 7 to 9.

Present S.S. 10 Teacher With Dressing Gown

A happy evening was spent at the home of Mr. and Mrs. Jas. Milton on June 21 when the people of S. S. 10, East Gwillimbury, gathered to pay tribute to Lloyd Kershaw, who was the teacher for the last few months of the term, following his discharge from the R.C.A.F. One of his pupils, Olive Cupples, read an address, and presentation of a silk dressing gown was made. Mr. Kershaw, who is resuming his college course in the fall, made a humorous and appreciative reply.

With Merton Rutledge acting as chairman, there was a brief program, consisting of a reading by Mrs. Sweet, remarks by Rev. Eby and Rev. Gordon Lapp, and songs by Mrs. Eby. As her last number Mrs. Eby sang "Jesus loves me" in Chinese and then had her audience sing it, with her. Refreshments were served.

Because of the Decoration service at Queensville cemetery, the service at Ravenshoe United church will be at 12.30 p.m. on June 30. Sunday-school will be at 11.30, preceding the service.

A pleasant time was had by a good turnout of folk from Keswick, Mount Pleasant and Ravenshoe when the June supper of the Women's Association was served.

Three children received the sacrament of baptism at a recent service at Ravenshoe church. They were Richard Brian, infant son of Mr. and Mrs. Lorne Mahoney; Ethel June, daughter of Mr. and Mrs. C. F. Marritt; Ella Mae, daughter of Mr. and Mrs. Garnet Abbs.

Pine Orchard Heads Simcoe Loop Division

The following is the first division standing of the Lake Simcoe softball league as of June 25: Pine Orchard, won 3, lost 1, tied 4, points 7; Sharon, won 3, lost 1, points 6; Mount Albert, won 3, lost 2, points 6; Hope, won 2, lost 2, tied 1, points 5; Queensville, tied 5.

Games yet to be played are: June 27, Pine Orchard at Queensville; June 28, Hope at Mount Albert; July 2, Mount Albert at Pine Orchard; July 3, Sharon at Queensville; July 4, Pine Orchard at Sharon; July 5, Queensville at Hope; postponed game of June 20 between Sharon and Mount Albert.

HOLLAND LANDING

After spending a few leisure hours and dining at St. Andrew's Golf club, Toronto, Mr. and Mrs. Fred West and Mr. and Mrs. Ernest Lundy, Newmarket, with Dr. J. A. Campbell, Toronto, attended the dog show at Brampton on Saturday.

Mr. and Mrs. Fred West celebrated their 13th wedding anniversary on Monday, June 24, with Mr. and Mrs. Ernest Lundy, Newmarket.

Mrs. M. S. Benn and daughter, Miss Effie Dulmage, Toronto, are spending a week at their cottage at Blue Water Beach.

The bazaar under the auspices of the Christ church guild, held at the home of Mrs. J. F. Kitching on Saturday, was a success. The proceeds were \$102.10.

SCOTT

Scott Plans Purchase Of Road Maintainer

A special meeting of the Scott twp. council was called for Friday evening, June 21, to consider the purchase of a road maintainer.

District Engineer Marston, Port Hope, was in consultation with the council and it was decided to place an order for an Austin-Western Maintainer, sold by the Sawyer-Massey Co., for \$13,988, equipped with snow plow, and ask the consent of the municipal board for permission to finance payment over a two-year period.

After the council session, a meeting was held with representatives of the township workers to consider recognition of the services of township personnel who served in the war. It was decided to specially remember the next of kin of those who made the supreme sacrifice and those who were resident of the municipality at time of enlistment and speak special appreciation of those who had been Scott residents but were not so at time of enlistment. It is expected a complete list of those will be published at a later date.

SHUR GAIN FEED SERVICE

MORE MONEY

from GRAINS

Ontario farmers found long ago that it was more profitable to feed livestock and poultry than it was to market their grains as such.

Today they are feeding not only nearly all their own grain but large quantities of western oats, barley and wheat.

Whether you are feeding western or local grains, you can make more money if you add SHUR-GAIN Concentrates to your grain and feed BALANCED rations to all your livestock and poultry than you can by feeding grain alone.

SHUR-GAIN CONCENTRATES CONTAIN THE

PROTEINS
MINERALS
VITAMINS

that are lacking in Grain and that are ESSENTIAL for

"SO LONG,
MR. WHISKERS!"

JOHNNY USED TO HAVE FUN blowing dandelions, but the pay-off came later when he had to dig out Mr. Whiskers' offspring from the lawn. Now, thanks to C-I-L and chemistry, he has his fun without work. His dad simply eliminates the new dandelions with a new hormone spray called "Herbato" 2, 4-D.

YES, DANDELIONS, plantain and many other weeds can be made to disappear, leaving the grass to take over unmolested. "Herbato" is one of the newest of new chemical products that make life more enjoyable for grown-ups as well as small boys.

SERVING CANADIANS THROUGH CHEMISTRY

Looking Ahead

Man-made bristles... Salting meat on the hoof... Weatherproof duds... Better fruit...

Here's a new brush that looks something like a question mark. But there's no question about it—its nylon bristles will outwear by many times the bristle of the Chinese Hog. This particular brush is for cleaning coffee makers. It is only one of hundreds of new-type nylon brushes now coming on the market.

"All that they want" is the modern farmer's principle when it comes to providing salt for his livestock. With salt blocks or salt boxes in stables, fields and pastures, animals now help themselves, free choice, and grow faster, sturdier because of it. It's just another of the advances in animal nutrition that mark our times.

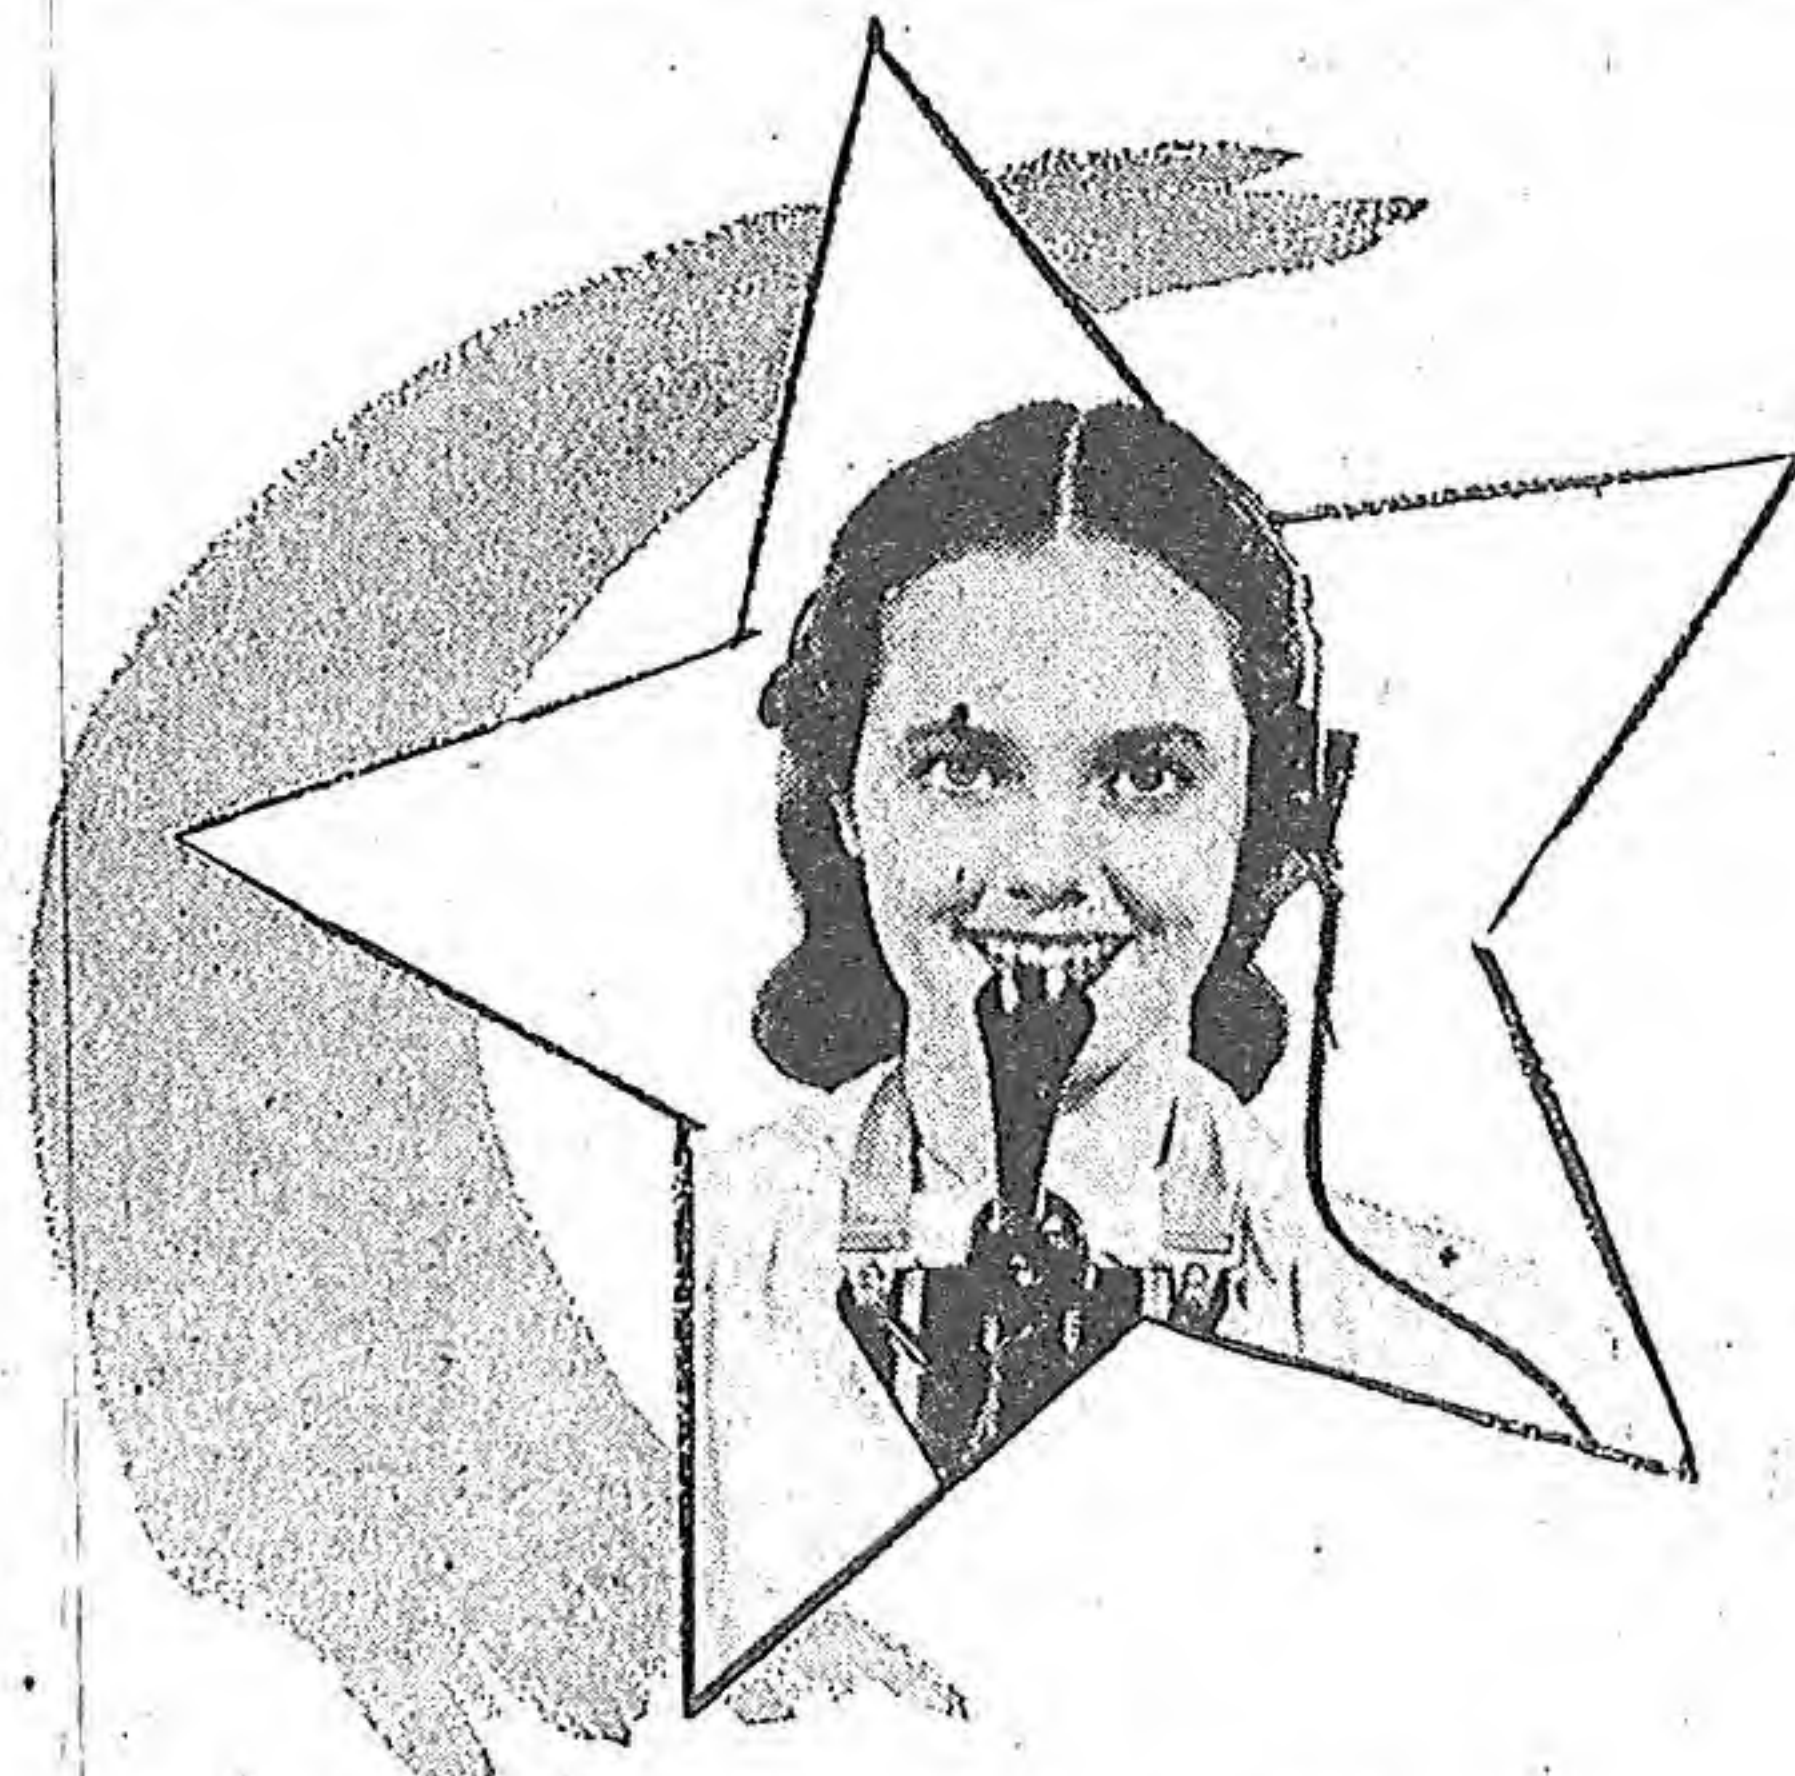

Durable water repellents that won't come out in washing or dry cleaning will soon be common in many outer garments. Not only will these give protection against showers, but clothes won't spot as easily. These products, such as "Velan" from England and "Zelan" from the United States, are becoming well known to the people who are making textiles for your new clothes.

Fruit that falls prematurely means waste to the orchardist. But chemistry knows a way to keep fruit on the tree until it's ready to be picked. With a hormone spray called "Parmane", which strengthens the stem of the fruit, "windfalls" can be almost eliminated.

Further information on any of these products is obtainable by writing "Looking Ahead", C-I-L, P.O. Box 10, Montreal, P.Q.

ZEPHYR

The Zephyr Women's Institute held their regular meeting on June 18, at the home of Mrs. R. Harman, Mount Albert, the president in the chair. The minutes were read followed by the roll-call, which was answered by the name of a fish and the water it is found in. A committee was elected for the decorating of the park for Sports Day June 26.

Mrs. Wm. Curl then took charge of a program. A report of the morning session of the district annual held at Gamebridge was given by Mrs. W. Curl, and a piano solo by Miss Betty Armstrong. Miss Bessie Oliver, director of home economics, gave a talk on frozen foods.

Mrs. A. Armstrong gave the report of the afternoon session of the district annual. A vote of thanks was tendered Mrs. Harman for the use of her home for the meeting.

The meeting was followed by a social half hour on Mrs. Harman's beautiful lawn, where the lunch was served.

CEDAR VALLEY

Mrs. Nellie Elliott, Hollywood, Cal., has returned home after spending two weeks with her cousin, Mr. Armand Woodcock, Mrs. Woodcock and family at Cedar Valley. Mrs. Elliott had not seen her cousin for 25 years.

Mr. Armand Woodcock and Hartford attended the wedding of Miss Noreen Graham and Mr. Norman Johnson in St. Catharines last week.

Miss Noreen Woodcock and Miss Doreen Dixon, Toronto, spent last weekend with Mrs. Armand Woodcock.

"LIFE'S BIGGER MOMENTS"

"... with all my worldly goods"

At the moment you slip that slender band of gold on Her finger, your mind is filled with such things as orange blossoms, wedding bells and train reservations. Later, when the hubbub and excitement more or less die down, you may pull up with a mental start and ask yourself: "WHAT worldly goods?"

That's a good time to reach for the telephone and get some friendly advice from the North American Life representative. He'll take a load off your mind by showing you how to create a substantial and immediate estate... an assured income for your First Lady for life. You'll always be glad you called in the North American Life representative. He'll outline a practical plan that will fit your needs and your income.
